

# Attention Parents/Guardians of all 3<sup>rd</sup> Graders!

Is your child interested in learning about science and technology?  
Welcome to Junior FIRST LEGO League!!

The Jr. FLL program brings together a group of kids with adult coaches to explore our world using LEGO bricks. The focus of the program is to have the kids use research, teamwork, and imagination to solve a real-world concept. Cool, right?

Students **MUST** plan to attend at least 7 out of 9 weekly meetings from 6.30pm-8.00pm in the VPS Auditorium. The Saturday meetings are mandatory! The dates are as follows:

**Coaches Meeting/Team Social:** Saturday, January 9, 2016 – 9am-12pm

**Show and Share:** Monday evening, March 21

**REMEMBER - Space is limited!**

(Parents willing to coach a team/help to coordinate the program guarantee their child a place on a team. The number of volunteer coaches determines the number of spaces available.
